

▲ Treated teak counters for the island and sink area will hold up well in wet conditions; rare white granite was selected for the perimeter countertops.

PRODUCTS USED: Küche+Cucina cabinetry; Viking refrigerator; Morice range; Gaggenau dishwasher; Whitehaus (main) sink; Franke (island) sink; Rohl brass faucets; White granite and teak wood countertops; Jerusalem stone flooring.

SIZE OF AREA: 22-feet by 17-feet.

ALL PHOTOGRAPHY: Mark Balzarette

◀ A magazine photo inspired the creation of this yellow painted English style kitchen. The clients searched extensively for a designer who could bring their dream to fruition while meeting the level of high quality that their needs and desires demanded. Custom cabinetry achieved the look the clients were after. The kitchen will accommodate the functional requirements of a growing family and homeowners who enjoy entertaining.
